RE: Bill No. 5283

March 3, 2022

To Whom it may concern,

I am in full support of Bill #5283. The Agriscience Education given at *Ellis Clark Regional Agriscience* in Woodbury, CT is a phenomenal program. By far the best program out there that gives students top notch quality education.

I strongly suggest you pass this Bill as it is a major step in the right direction. This will help provide students with the funding needed in order for them to receive the education they deserve.

It is imperative that you pass bill 5283.

Thank you for your time,

Alan Hayes
